

ACCMBC FOCUS OF THE MONTH

MAY
2012

CHEERFUL GIVER

This month's focus is the *Cheerful Giver* Program. This program provides emergency supplies and needed resources to those in need worldwide. These supplies are packaged in a variety of kits and distributed in countries affected by poverty or disaster. Thank you to all those who have supported this program either through volunteer, prayer and financial support. The *Cheerful Giver* program's goal is to package at least 8000 kits this year. In order to do this, the need is to raise the amount of \$30,000. This money would go to the supplies to fill the kits and the distribution of these kits worldwide. The *Cheerful Giver* program has been a blessing to many broken and hurt lives throughout our globe. May God continue to use this program to reach those who are needy and to allow us to show the love of Jesus through this ministry.
